**VOLUNTEERING AT THE CRESCENT**

Dear Parents and Carers,

We are keen to recruit a number of volunteers to help support children in our school. If you can spare even an hour or two per week you can make a positive difference to our school community, for example by reading with children, helping children with their Maths work and even assisting in lessons.

Many of our past volunteers have gone on to gain full time jobs as Teaching Assistants in local schools, and we are very willing to provide references to volunteers who assist on a weekly basis over at least a term.

**Please register your interest and availability to become a Parent Volunteer at The Crescent Primary School by returning the slip below to the office!**

Please note that our children's safety and wellbeing is paramount and volunteers will be required to have satisfactory DBS clearance and adhere to our safeguarding guidance.

Yours Faithfully,

Mr Heath
