

8th January 2019

Planetarium – Tuesday 15th January 2019

Dear Parents / Carers,

As you are aware Reception will be visiting Greenwich Planetarium on Tuesday 15th January. This is part of our new Space topic, during our visit we will be watching a planetarium show, taking part in a space walking workshop and using interactive galleries.

Thank you to all parents/carers who have already made a contribution on ParentPay to help us provide the amazing opportunities we have already had, as well as for this trip. If you have not yet done so, please contribute £20.00 via ParentPay (£5.00 if your child is entitled to pupil premium funding). This will need to be paid before the trip takes place. Although this contribution is voluntary, we will not be able to go ahead **without sufficient contributions and the trip will have to be cancelled.**

We will be travelling to the Planetarium by coach and we will be leaving school promptly at 9:15am. If your child is late to school, there is a risk that they could miss the trip. We expect to return at **the later finish time of 3:30pm.**

As all children in the infants are entitled to free school meals, every child will be provided with a free packed lunch and a bottle of water by our school kitchen. Please send your child into school with an empty bag to carry their lunch in.

All children must wear school uniform & school shoes.

We would appreciate one or two parents per class to accompany us on the trip. If you would like to join us, please let your class teacher know. We will respond to parents as to whether we need them or not by Friday 11th January.

Most parents have already signed permission at the start of the year. If you have not yet signed the consent form you need to do so in order for your child to be allowed to go. This must be signed by the parents/carers. Your child will not be able to go on the trip if we do not have written permission.

Thank you for your support,

The Reception Team
